## Ordinary and Higher Levels

The new release of Lingua-Master 2003 is the all in one package for mastering the Listening Comprehension (up to 44% of the total exam).

It is available for Irish, French and German. Both ordinary and higher levels are covered.

Students who use Lingua-Master throughout the year can be guaranteed to achieve their full potential in the Aural exam.

Lingua-Master is an invaluable tool, not only for the oral and aural, but for all areas of language learning.
